Fee

Applicants believe that because this Disclosure Statement is being submitted before the mailing of a first action on the merits (a restriction requirement not being considered an action on the merits), no fee is due. In addition, the undersigned certifies under 37 CFR 1.97(e)(1) that the document listed above was cited in a communication from a foreign patent office (i.e. the International Preliminary Examining Authority/US) in a foreign counterpart for this application (International Application No. PCT/US01/43435) not more than three months prior to the filing of this Disclosure Statement, and therefore no fee is due. If this is incorrect, please charge any necessary fee to Deposit Account No. 18-0560.

Conclusion

It is believed that this application is now in condition for allowance and such action at an early date is earnestly requested. If, however, there are any outstanding issues which can be usefully discussed by telephone, the Examiner is asked to call the undersigned.
